

JOHN HANSON CHAPTER, NSDAR

Welcome,

The John Hanson Chapter consists of daughters from Calvert County, as well as other areas of southern Maryland. It is the only chapter in Calvert County.

Our chapter meets the second Saturday of each month beginning in September and ending in May. We do not meet in December. Meetings are held at various venues in Calvert County; the library in Prince Frederick, local churches or members homes. Meeting times are from 10:00 am until noon.

The National Society Daughters of the American Revolution serve the nation, states and counties by perpetuating the memory and spirit of those men and women who fought and died so that we have our freedom and liberty. The Mission of the organization is to promote historic preservation, education, and patriotism.

Our chapter provides opportunities for young people to learn about our history, and develop good citizenship through essay competitions. We recognize a JROTC student at each local High School for their leadership and patriotism. We aid the National Society in supporting several DAR schools across the country.

The chapter also provides support to veterans at Charlotte Hall Veterans Home and other venues overseas and at home with "Project Patriot". We participate in one Naturalization ceremony each year. It is a privilege to witness the joy apparent as each individual is accepted as a citizen of the United States of America. We promote literacy, conservation, and the flag.

Thank you so much for your interest in the John Hanson Chapter. If there are any questions you might have about the chapter or about becoming a member, please contact me at regent@calvertcountydar.org

Sincerely,

Kathleen Haas Miller, M.D.
